

# INTERDISCIPLINARY COLLABORATIVE TEACHING PROGRAM

## CHAIR/DIRECTOR VERIFICATION FORM FOR TENURE-TRACK, TENURED, OR LECTURER APPOINTMENTS

I am aware of the call for proposals for the 2022–2023 Arts Alive SDSU Interdisciplinary Collaborative Teaching program, and I support the application submitted by \_\_\_\_\_, who proposed a collaboration based on the following course: \_\_\_\_\_.

This is not a new course in our program, but a pre-existing course that this instructor routinely teaches. I understand that awardees will receive three units of assigned time for one semester in exchange for a commitment to participate in an Arts Alive SDSU workshop and to teach this course a minimum of two semesters.

If this instructor's proposal is selected, I am willing to release her/him from three units of her/his teaching assignment in Spring 2023, and Arts Alive SDSU will transfer the replacement cost of \$6298 to the general account of our Department or School. I also agree to assign this instructor to teach this course at least twice over the 2023–2024 and 2024–2025 academic years, and I understand that the course will need to be scheduled to align with the schedule of her/his teaching partner for both semesters.

\_\_\_\_\_  
Department Chair or School Director
